

2023 Brit Fader Scholarship Awarded to Hayden Walker

Hayden Walker is entering his third year of a Bachelor of Science in Computer Science at Mount Allison University in Sackville, New Brunswick. He obtained his Basic with Honours qualification in June 2023, and hopes to also obtain Advanced qualification in the near future. Hayden is a member of Radio Amateurs of Canada (RAC), the Moncton Area Amateur Radio Club (MAARC), and International Repeater Group (IRG). He primarily operates on IRG repeaters and on 20m FT8. He would like to thank Bruce VE9QR for his help getting into the hobby by offering advice, equipment, and plenty of interesting conversation.
